THE SECRETARY OF STATE

Washington

May 16, 1957

Dear Mr. Dulles:

I was very pleased to receive your letter of May 9 commending Park Armstrong. Your thoughtful personal words and the Intelligence Advisory Committee's Resolution of appreciation together constitute a tribute which Mr. Armstrong well deserves. I am gratified that an officer of the Department of State has been able to make such an effective contribution as to merit this special recognition.

Copies of your letter and the IAC's Resolution are being placed in Mr. Armstrong's personnel file. At the same time, I am also arranging for copies to be sent to Mr. Armstrong.

Sincerely yours,

/s/

John Foster Dulles

The Honorable
Allen W. Dulles,
Director,
Central Intelligence Agency.
